3rd International Conference on Optoelectronics and Spectroscopy of Nano-structured Thin Films and Materials

ICOSFM' 2007

August 6-11, 2007 Beijing China

First Circular

The 3rd International Conference on Optoelectronics and Spectroscopy of Nano-Structured Thin Films and Materials (ICOSFM' 2007), which is supported by Beijing Municipal Government Commission for Science and Technology, and sponsored by some national and Beijing local scientific commissions of China, will be held at the *Beijing Key Laboratory for Nano-Photonics and Nano-Structure*, established with the support from Beijing Government and located at Capital Normal University, during August 6-11, 2007 in Beijing, China.

Topics

- **♦**Ultralthin Films **♦**Nano-Particles
- **♦**Nano-materials **♦**Fullerenes & Nanotubes
- **♦** Clusters of Supermolecules and Nanoparticle Systems
- **♦**Raman Spectroscopy of Nanomaterials
- **♦**Molecular design and Membrane Sensors
- **♦** Related Interfacial Phenomena (Adsorption and Related Phenomena etc.)
- **◆**Applications to advanced Nano-materials
- **◆Functional Chemistry**

Call for papers

The scientific program will consist of invited lectures, and contributed orals and poster presentations. The Organizing committee invites participants to submit papers for presentation at ICOSFM'2007. These papers will be referred and accepted abstracts will be published in the Conference Proceedings. Please submit with the Abstract Submission Form. The deadline for submitting abstracts is June 30,2007. You can obtain the guidelines from our website: http://www.npns.org.cn/icosfm/callforpapers/callforpapers.htm

Please send the abstract to icosfm@vip.163.com

Registration

For early planning purposes, all delegates who wish to participate in the Conference are encouraged to fill out the REGISTRATION FORM and return it to FANG Yan no later than June 30, 2007. You can obtain the form from our website:

http://www.npns.org.cn/icosfm/regist/regist.htm

Other Information

Climate: August is summer time in Beijing with the average daytime temperature 26°C.

Language: The official language of the conference is English. No translation service will be available.

Smoking Policy:Smoking is prohibited in all public places, unless marked as a smoking area. In particular, smoking in classroom, lecture halls, auditoriums, theaters, etc is prohibited.

Tipping:Tipping is not commonly practiced and is considered unnecessary in china.

Invitation Letters, Passport and Visa

The Organizing committee of ICOSFM' 2007 will be pleased to send an invitation letter upon request before registration. It should be emphasized that such a letter is intended to assist participants to raise travel funds and is not a commitment on the part of the organizers to provide any financial support and nor acceptance of submitted paper(s).

Foreign visitors traveling to the People's Republic of China must have a passport and most likely need a valid visa. If you need an original official invitation letter for an entry visa to China at the Chinese Embassies or consulates in your country, please feel free to contact us after submitting your abstract.
